Pre – K- Counts

For a Brighter Future

**Lehigh Area School District Pre-K-Counts
Enrolling Now for FREE Preschool Education**

If your child is three or four years old on or before September 1, 2017, now is the time to enroll your child in the Pre-K Counts for the 2017-2018 school year.

What is Pre-K Counts:

- Pre-K Counts is a free high quality early learning program for children and families who may have challenges due to income, English as a second language, and/or special needs

Pennsylvania Pre-K Counts offers:

- Highly qualified teachers who have experience working with young children
- Smooth transition into the Lehigh Area School District kindergarten program
- A curriculum that will help your child grow academically and socially

Where and When:

- Program is offered at the Shull-David Elementary in the Lehigh Area School District
- Morning Session: 8:30 a.m. – 11:30 a.m.
- Afternoon Session- 12:30 p.m. – 3:30 p.m.

Who can Apply:

- Children who reside in the Lehigh Area School District and are 3 or 4 years of age by September 1, 2017
- Children whose families qualify based on the federal income guidelines
- The information packet is available on the district website www.lehighton.org

Pennsylvania Pre-K Counts is available at no cost to families, but space is limited.
